Ofsted Report

Dear Parent/Carers,

We are **delighted** to inform you that Cuckoo Hall Academy **no longer** requires Special Measures.

Our recent Ofsted inspection has confirmed that the school has improved significantly since the last inspection and that school now requires improvement to be good.

The team recognised that there are strengths in the quality of education provided by Cuckoo Hall Academy, particularly in English, Maths and Science.

Ofsted agreed with us that we still have more work to do to improve other areas of the curriculum such as Music and French.

Please see the attached inspection report. We will be holding a meeting on **Thursday 14th November** at 9am and 6pm to discuss our plans moving forward.

I'd like to thank all staff, pupils, parents and the wider community for their support and dedication to making our school great again.

Yours sincerely,
